WELCOME MESSAGE

From The **PRESIDENT**

Dear Esteemed Colleagues,

On behalf of the Neurosurgical Association of Malaysia, it is my distinct honour and privilege to welcome you to the 26th Annual General Meeting and 24th Annual Scientific Meeting, scheduled to take place on 25th to 27th September at Zenith Hotel, Kuantan.

This year's theme, "Beyond Boundaries 2026 — Resilience · Evolution · Integration" reflects our collective commitment to advancing the frontiers of neurosurgery while remaining grounded in the principles that have shaped our discipline. As the landscape of neurosurgical practice continues to evolve, driven by innovation, multidisciplinary integration, and technological acceleration, it is imperative that we remain both forward-thinking and steadfast in our dedication to clinical excellence, education, and patient-centred care.

The meeting will feature a comprehensive scientific programme, including a pre-congress workshop and plenary sessions designed to foster rigorous academic exchange and professional development. We anticipate thought-provoking discussions, high-quality research presentations, and meaningful engagement among colleagues from across the nation and beyond. This gathering serves not only as a platform for disseminating knowledge, but also as an opportunity to strengthen professional networks, mentor the next generation, and reinforce the collaborative spirit within our neurosurgical community.

As we convene once again, let us take this opportunity to reflect on our achievements, address emerging challenges, and collectively shape the strategic direction of neurosurgery in Malaysia. Through shared expertise and unified purpose, we can continue to elevate standards of care and contribute meaningfully to the global neurosurgical fraternity.

I extend my sincere appreciation to the Organising Committee for their dedication in preparing what promises to be an outstanding meeting. I look forward to welcoming all of you in person and to an inspiring and productive congress.

Warm regards,
**Professor Dato'
Dr Abdul Rahman Izaini Ghani**

President
Neurosurgical Association of Malaysia

WELCOME MESSAGE

From The **HOST**

Dear Esteemed Colleagues,

It is my great pleasure to warmly welcome you to the Neurosurgical Association of Malaysia Annual Scientific Meeting 2026 (NAM ASM 2026), taking place from 25th to 27th September 2026 at the Zenith Hotel, Kuantan.

We are truly honoured to host this prestigious gathering of neurosurgeons, healthcare professionals, researchers, and industry partners from across the country and beyond. Your presence reflects the collective dedication of the neurosurgical community to advancing medical knowledge, strengthening collaboration, and improving patient care. The theme for this year's meeting, "Beyond Boundaries 2026 — Resilience · Evolution · Integration," resonates strongly with the spirit of modern medicine. As the field of neurosurgery continues to evolve through rapid technological advancements and multidisciplinary collaboration, resilience and adaptability remain vital in addressing the complex challenges faced in clinical practice. By integrating innovation, research, and clinical expertise, we move forward together in shaping the future of neurosurgical care.

This meeting provides an invaluable platform for meaningful academic exchange, professional networking, and the sharing of ideas that will inspire progress in our field. I am confident that the scientific discussions and collaborative engagements throughout the programme will contribute significantly to the continued growth of neurosurgery in Malaysia and the region.

It is also our pleasure to welcome you to Kuantan, a vibrant coastal city known for its warm hospitality, rich culture, and scenic beauty. We hope that during your stay, you will not only benefit from the scientific programme but also enjoy the unique charm and welcoming spirit of our city.

I wish you a productive and enriching meeting, and I look forward to welcoming all of you to Kuantan for what promises to be an inspiring and memorable event.

Warm regards,
Prof. Dato'
Dr. Mohamed Saufi Awang

Hospital Director
Sultan Ahmad Shah Medical Centre @ IIUM

WELCOME MESSAGE

of ORGANISING CHAIRMAN

Dear Colleagues and Friends,

It is with great pleasure that I welcome you to the 26th Annual General Meeting and 24th Annual Scientific Meeting of the Neurosurgical Association of Malaysia, which will be held on 25th to 27th September at Zenith Hotel, Kuantan.

This year's theme, "Beyond Boundaries 2026 — Resilience · Evolution · Integration" captures the direction and aspirations of our neurosurgical community as we continue to evolve in an increasingly dynamic healthcare landscape. As advancements in technology, research methodologies, and clinical practice accelerate, our responsibility remains clear, to integrate innovation thoughtfully while upholding the core principles that define excellence in neurosurgical care.

The Organising Committee is committed to delivering a comprehensive and engaging scientific programme that fosters academic rigor, meaningful dialogue, and professional growth. The meeting will include a pre-congress workshop, plenary lectures, symposia, and research presentations designed to stimulate critical thinking and encourage collaborative exchange among peers. Beyond the scientific sessions, we hope this gathering will provide valuable opportunities to strengthen professional networks and cultivate enduring partnerships within our fraternity.

I would like to extend my sincere appreciation to our distinguished speakers, valued sponsors, and dedicated members of the organising committee. Their unwavering commitment and collaborative spirit are fundamental to the success of this meeting.

As we convene for this important occasion, may we continue to inspire one another, challenge boundaries responsibly, and collectively advance the standards of neurosurgical practice in Malaysia and beyond.

We look forward to welcoming you and sharing an enriching and memorable meeting together.

Warm regards,
Assistant Professor
Dr Mohd Ghaddafi Wahab

Organising Chairman
26th Annual General Meeting &
24th Annual Scientific Meeting 2026

WELCOME MESSAGE

of **SCIENTIFIC CHAIRPERSON**

Dear Colleagues and Friends,

It is my great pleasure to welcome you to the Annual Scientific Meeting of the Neurosurgical Association of Malaysia 2026 (NAM ASM 2026), which will be held from 25th September to 27th September 2026 at Zenith Hotel, Kuantan.

This year's theme, "Beyond Boundaries 2026 — Resilience · Evolution · Integration," reflects the ever-expanding horizons of neurosurgery in a rapidly changing medical landscape. As neurosurgeons, we are continually challenged to push beyond traditional limits, strengthen our resilience in the face of complex clinical demands, and evolve alongside emerging scientific discoveries and technological advancements. At the same time, integration—across disciplines, technologies, and global expertise—remains essential in shaping the future of neurosurgical practice.

The scientific programme has been carefully curated to offer a dynamic and intellectually stimulating platform for knowledge exchange. Through keynote lectures, symposia, panel discussions, and research presentations, we aim to highlight the latest developments in neurosurgical science, encourage thoughtful dialogue, and foster meaningful collaboration among colleagues and experts from Malaysia and beyond.

This meeting also serves as an important opportunity for the neurosurgical community to come together, share experiences, inspire new ideas, and support the growth of the next generation of neurosurgeons. It is our hope that every participant will leave with renewed insight, strengthened professional connections, and fresh perspectives that will continue to drive excellence in patient care and research.

I would like to extend my sincere appreciation to our distinguished speakers, valued partners and sponsors, as well as the dedicated organising committee whose commitment and hard work have made this meeting possible.

We look forward to welcoming you to Kuantan, a vibrant coastal city that offers both warmth and hospitality, as we gather for what promises to be an engaging and inspiring scientific meeting.

Warm regards,
Dr Regunath Kandasamy

Scientific Chairperson
26th Annual General Meeting
& 24th Annual Scientific Meeting 2026

Call For Abstract

The scientific committee welcomes the submission of scientific abstracts. Authors are invited to submit abstracts in following sub-categories:

- Advances in Imaging and Technology in Neurosurgery
- Neuro Trauma & Craniofacial Reconstruction
- Pain & Neuromodulation
- Functional and Epilepsy Surgery
- General Neurosurgery
- Neuro-Oncology
- Pituitary and Skull Base
- Spine and Peripheral Nerve
- Stereotactic Radiation Therapy
- Cerebrovascular

Abstract submitters may select your preferred presentation format:

Free Paper Oral Presentation

E-Poster Presentation

Submission of Abstracts

Please provide the date of the co-authors (name, aliases). Ensure that all author information is included and entered correctly. Please provide the abstract body text. The abstract body is limited to a maximum of 300 words which is approximately 1600 characters. Depending on whether your abstract is a Research based abstract or a Case Report, the body follows the following format.

Research Format / Case Report Format

- 1 Purpose / Introduction
- 2 Materials and Methods
- 3 Results / Report
- 4 Conclusion

Ensure that all changes, corrections, and proofreading have been carried out before submission.
